Preston,
Here is Commissioner Mercer's statement regarding Dave Ross:
"I believe Mr. Ross' broad experience with states' issues and his collaborative style will enable the U.S. EPA to effectively address the varied water quality needs across our country."

Thank you,
Melanie Loyzim
Deputy Commissioner, Maine Department of Environmental Protection

Hi Lynn,

Thank you for getting the call scheduled today with Commissioner Mercer! I think the conversation with Dave Ross was productive and he said he would be willing to provide a short comment of support. Here is an example below:

Misael Cabrera, Director, Arizona Department of Environmental Quality:

"Mr. Ross has exceptional credentials and experience for the role of Water Director. In addition, his views on cooperative federalism are exactly what is needed at US EPA."

Thank you for your help with this!

Kind regards,

Preston Cory
