Ken,  
We just received confirmation of our appointment with DOI for Tuesday, January 16<sup>th</sup> in DC. I was wondering if a meeting with you and the others at EPA is also possible on Tuesday, or alternatively,

Monday or Wednesday next week? In addition to Matthias and me, Amy Nerison from the Governor's office will be joining us. Thx.

Ken,  
We'll be sorry to miss you in DC this week, if the meeting gets pushed to next week, I'll let you know. I am glad to hear that you're getting your regional administrators in place, I look forward to meeting Anne Idsal later this month in Denver.

Ken: Happy New Year. Unfortunately, I will not be in DC late next week as I will be in Chicago for the installation of the new Regional Administrator. I will pass along the request to Dave Ross and Ryan Jackson.

Look forward to catching up soon.

Ken,  
We are trying to set up a meeting with DOI for next week in DC, we are waiting for a firm appointment time. We've asked for a Friday meeting, so we could travel up on Thursday and back to Santa Fe on Saturday.

If we make it to DC, would it be possible to work in a meeting with you? We'd like to visit with you, Dave Ross, and Ryan Jackson about our NM issues, the Carlsbad Brine Well in particular. I understand that Ann Campbell is responsible for Dave's schedule.

My deputy, Matthias Sayer, will be traveling with me. Hope you have some flexibility in your schedule, I'll let you know when we nail down our appointment time at DOI.

Thanks and have a good weekend.
