Dear Dr. Kehoe:

We are indeed grateful to you for the interest
you have shown in the [REDACTED] matter.

In view of your suggestions of May 11th, I
telephoned a Mr. Rees, worker in the Northside
District of the Hamilton County Welfare Depart-
ment, PA. 7720, and conveyed to him your
impressions of Mr. [REDACTED] condition, and
asked if it were possible that he be given any
consideration in the way of a special diet, etc.

He promised me that the request would be given
consideration and in all probability you will
be contacted on this matter.

Apparently what you have suggested in the way of
good food, sunshine and better environment is
about all that can be accomplished for this man.

Very truly yours,

W.A. Lovell
Assistant Counsel
