For Clean Kitchens

IT'S EASY to keep your kitchen spotlessly clean when walls, cabinets and woodwork are painted with SATIN EGG-SHELL FINISH. Stains, spots and discolorations from the steam of cooking can be quickly wiped away with a damp cloth.

Then, too, Satin Egg-Shell may be had in white and in a number of desirable shades which make possible many attractive color schemes for kitchen, breakfast nook, bath or nursery. And all colors are washable!

From the many B-H Paints and Varnishes, let us assist you in choosing the one best suited to your purpose. For exterior painting, we recommend B-H Pure Prepared Paint.

WOMAN'S DEATH TO BE PROBE

A coroner's investigation is being made today to determine whether the death of Mrs. Elsie Kohler, 30, 3661 Thirty-ninth street, yesterday, was accidental. The woman was found dead, with the odor of chloroform in the room, by her 9-year-old daughter, Irene. According to police, the husband, Ralph Kohler, stated he had been in the habit of taking the drug for relief of pain, as he believed her death was not suicide but due to an accidental overdose.
