Dear Sir/Madam,

I write because I have some concerns and complaints that need to be cleared up before it reaches too far.

First of all social security payments are paid in manner that March is paid in April etc, my dad social security was paid on 3rd November for October and he died on 7th November and they took the liberty of freezing MY account with his name as second signatory to deduct \$451.00, that is rightfully his and not theirs.

Please see attached letter with more concerns. I was refused assistance from Social Security and from Fema Funeral assistance, which I know is unfair because of the circumstances surrounding my father's death. I will not let this rest until justice is given.

You can reach me at [Ex. 6]

I await your response in this matter.
