Ms. Dravis:

We are putting the final touches on our schedule and wanted to circle back to see if we could secure a meeting with the Administrator as outlined below.

I appreciate your assistance.

Thank you,

Dear Ms. Dravis:

It was a pleasure meeting you yesterday. Again, I am Chandler Goule the CEO for the National Association of Wheat Growers. We represent approximately 85% of the wheat grown in the US.

As we all said it was so nice to come to the EPA and all be on the same page. I started in DC as an intern and was going to go back to Texas and that was 17 years ago.

Ms. Dravis, we will be having our national officers (executive team) of NAWG in town April 24-27, 2017. I respectfully request a meeting with the Administrator. We will have one officer Jimmie Musick from Oklahoma with us. I appreciate your attention to this request.

Please let Josh my VP of Policy and Communication (cc'd) or myself know if you need further information.

Thank you in advance,

Chandler Goule

CEO/NAWG
