

April 6, 1953

Dr. Robert A. Kehoe
The Kettering Laboratory
University of Cincinnati
Cincinnati, Ohio

Dear Dr. Kehoe:

We are grateful for the report of the analysis of the sample of rust and scale which was attached to your letter of April 1, 1953. The explanation presented in your letter is also very helpful. Please submit your bill for this test to the attention of the writer.

Very truly yours,

Adman
