Mr. Maurice F. Crass, Jr.
Mfg. Chemists Assoc., Inc.
1825 Conn. Avenue, N.W.
Washington, D.C. 20009

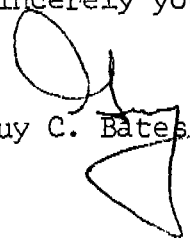

Dear Maurice:

I have your letter of January 17th and after discussion with our management, have forwarded it to Mr. Frank Nolt, Controller, Chemicals Group, Crompton & Knowles Corp. We now will rejoin as Chemicals Group, Crompton & Knowles Corporation. This includes the Althouse Division and the Bates Division at the present time.

So that the useful information that MCA distributes will reach the right people, I would appreciate it if you would send me the form on which we can designate who should receive the mailings on the different subjects. I believe I saw one several months ago. We would like to bring this up to date as we start the year with several revisions in our organization and some address changes.

Best wishes for a successful year and kindest personal regards.

Sincerely yours,

Guy C. Bates
