Western Auto Associates - John D. Heronemus

November 7, 1974

Mr. Walter D. Schultz, Jr.

Dutch Boy Paint Division

J. T. Rafferty, Asst. Secretary

Law Department

Referring to the above matter, quite sometime ago I wrote to you enclosing a letter of complaint, written by an attorney on behalf of a client, which our statutory agent in Oregon had received concerning an alleged breach of a franchise agreement. I assume this matter has been handled through regular complaint procedures and that there has been a satisfactory resolution of matters concerning the remaining stock of goods of Mr. Heronemus. Accordingly, I am filing the few papers which I have and I will consider this matter closed unless I hear from you to the contrary.
