Margaret,

Thanks for your message. The reason for my call was that I am working with Julie Lillie to ensure that she receives copies of all the memos/reports the ASLM bureaus have prepared in connection with the various Secretary's Orders that have been signed during this Administration. Apparently, despite our delivering the signed originals directly to Jim, he has engaged Exec. Sec. to assist in keeping track of all the materials he has received in connection with the various SO's and other sundry requests.

Regarding SO 3349 (American Energy Independence), I have a copy of a memo you and Kate co-signed on April 19 that deals with Sec. 5 c (v) of the SO, which is the section entitled, "Review of Other Department Actions Impacting Energy Development". Sections 5 a and 5 b of the SO also have deliverables. Sec. 5 a requests the bureaus' review of mitigation policies and Sec. 5 b requests a climate change policy review. I looked through the email traffic concerning the reports developed in connection with this SO and I didn't see a report from BSEE on Sections 5 a and b. (b) (5)

. Thanks.

Rich

Thanks. Actually, I have reports (memos) signed by BLM (Mike Nedd) and ASLM (Kate) for Secs. 5 a and b. I don't think those were handled through the SOL's office, but any info you can provide is greatly appreciated.
