Shelley: As discussed, attached is the spreadsheet with the various IMs promulgated since 2009. Let's do a first cut with those just marked as 'High'. Use the Purpose already in there, and if it makes sense to you then we are good, if not, you might look at the IM to better describe. Group by Program. Looking to get over to 200 later this week and a conversation with 300 LT on Wednesday.

Ruthie: Lets schedule 30 minutes of time on Wednesday at 1, 1:30 OR 2:30.
Thanks
Tim

OK, I grouped them in the same way for the memo that I am drafting. There are nine identified as "High" in the spreadsheet. Plus I am adding the others we discussed. Will send first cut by COB and I can refine tomorrow morning if you and Lonny have edits.

Shelley: As discussed, attached is the spreadsheet with the various IMs promulgated since 2009. Let's do a first cut with those just marked as 'High'. Use the Purpose already in there, and if it makes sense to you then we are good, if not, you might look at the IM to better describe. Group by Program. Looking to get over to 200 later this week and a conversation with 300 LT on Wednesday.

Ruthie: Lets schedule 30 minutes of time on Wednesday at 1, 1:30 OR 2:30.

Thanks
Tim
