BOND-113

Julius Nemeth

Clarence Dunbrook

October 31, 1975

Clarence:

Please note the Water Putty label attached hereto on which I have a small portion circled in red, namely, a precautionary statement on the subject of asbestos fibers.

Please set type for this precautionary statement about the size of the red marking that I have around the box. I would like to have 2,000 stickers printed on pressure sensitive labels to be shipped to Toms River on completion as per the requisition and stickers attached hereto.

Thanks.

. . . . Julius

JKN/tw

P.S. Plain white label, black letting.
