INTER-OFFICE
CORRESPONDENCE

Dr. R. A. Kehoe
Kettering Laboratory of Applied Physiology
College of Medicine
Cincinnati, Ohio

Dear Dr. Kehoe:

Attached is a report from our Safety Engineer, H. L. Nixon, in regard to a former employee of the American Steel Works at Wichita who has been suffering from an illness since working on the interior of a gasoline transport tank.

If you desire, further information can be secured without causing any undue suspicion.

Very truly yours,

H. R. Berg.
