Good Morning,

Having a call on Shale Insight tomorrow. Haven't heard back from my email from last week but wanted to check in so I can provide a status update. Any news? I know you are all busy, so thank you for working with us on the event.

Good Morning,

I figured I would give you all some time before I started pestering you all again to see if Administrator Pruitt would be able to make our Shale Insight event in Pittsburgh in September. Any updates?

Hi Shawn,

Apologies for the delay! We are hoping to look at fall travel on Friday. We have several international trips that we have been hopeful to get confirmed final dates on so the process has been slow. Trying to get you an answer sooner rather than later. I'm sorry it is taking awhile!

Thank you!

Good Afternoon,

I just wanted to check in and see if you needed any other information from me regarding our inquiry on having Administrator Pruitt speak at our Shale Insight Conference in the fall. Also was hoping to see if you knew when we could expect a determination on whether the Administrator would be able to attend. Thank you for your assistance and I hope your week is going well.

Shawn,

It was a pleasure to meet you as well. Thank you so much for the invitation. I am copying Sydney Hupp (my sister and the Administrator's scheduler) on this email. She will have a form for you to complete and will be able to let you know if the 28th is available.

Please don't hesitate to reach out if I can further assist.

Warm regards,

Millan,

It was nice meeting you the other day at the Capitol Hill Club with Pete and Harold. As I mentioned, the Ohio Oil and Gas Association, the Marcellus Shale Coalition and the West Virginia Oil and Natural Gas Association are hosting the SHALE INSIGHT™ Conference, which will take place in the heart of the Marcellus and Utica shale gas plays on September 27 and 28, 2017 at the David L. Lawrence Convention Center in Pittsburgh, Pennsylvania. The event typically attracts over 1,000 attendees from across the region.

We would be honored if Administrator Pruitt would be able to join us as a general session keynote speaker on the morning of September 28, 2017. I have a formal invitation attached and I hope to discuss this event in more detail with you.
