Mandy,

I hope you are doing well. Thank you again for speaking during the PCA E&E Committee Meeting earlier this month. I wanted to see if you are available in the next few weeks to meet me for lunch. I am curious to hear more about your background before coming to EPA and your day-to-day work in the Office of Air & Radiation developing policy on air issues. Please let me know what days work best for you in the next few weeks for lunch. I look forward to hearing from you and hope we can work out a day meet for lunch. Thanks.

Best,
Louis
