Re: 3(b)(6) Deposition of Nevada Power
Regarding Distribution Systems

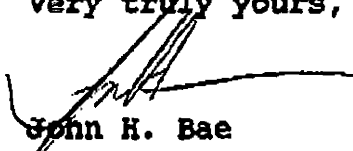

Dear Mr. Merrell:

Thank you for your letter of July 22, 1993. Below are the clarifications sought by Ms. Fogleboch:

1. Distribution Transformers: Person most knowledgeable of distribution transformers at the step-down point.
2. Capital Budgets: Person who pulls the figures together, and who has knowledge of the procedures, assumptions and criteria that were used in recommending the basis for the capital budget.

I hope these descriptions are helpful. Thank you.

Very truly yours,

John H. Bae
