**Subject:** Checking in

Hi Christine,

I hope you had a nice Labor Day Weekend! We all have our fingers crossed that Irma stays away from Florida, but in the event it heads that way, we want to make sure we are doing everything we can at the EPA to keep y'all informed. Administrator Pruitt has requested contact information for the Governor in the event he needs to speak with him directly in the coming days. Is this something that you could provide?

Otherwise, we are putting together a distribution list for local elected officials across Florida so that we can send them updates as we have them. Please let me know if I can do anything additional to help as the state prepares for the storm.

Thanks,  
Preston
