Tate,

We should be able to cover the event, but we may not be able to post the images until the following morning. Is that alright? Thanks.

Hi Tate,

For next week's event on the sorghum oil pathway, will you have a photographer there? Trying to decide if I should attend or not, but if there are photographer(s) and I might be given access to those high quality images with rights to print in our publication that will cover us.

Thanks,  
Jennifer
