Dr. Robert A. Kehoe,
Kettering Laboratory of Applied Physiology,
University of Cincinnati College of Medicine,
Eden Avenue,
Cincinnati 19, Ohio.

Dear Bob:

I am writing at this time to notify you officially of the other members of your Program Committee. As you know the constitution provides that the President-Elect be Chairman of the Program Committee and that the Editor or the Chairman of the Editorial Committee serve with the Chairman.

Since it would appear that in all likelihood the meeting will be in Chicago, I am appointing Dr. A. D. Brandt, who is a member of the Public Health Service on assignment with the Safety and Security Division, Office of the Chief of Ordnance, 333 North Michigan Avenue, Chicago 1, and Dr. M. H. Kronenberg, Chief, Division of Industrial Hygiene, Illinois Department of Public Health, 1800 West Fillmore Street, Chicago 12, to serve with you.

I am sending a copy of this letter to Cook, Brandt, and Kronenberg in lieu of an official notification of their appointment.

As Chairman of the Program Committee I feel that one of the first things you will wish to do will be to communicate with Ed Holmblad and Miss Dempsey, as well as Manfred Bowditch, regarding the 1945 meeting, concerning which there has been considerable correspondence as you know. As I wrote you the other day, I still have to hear from five members of the Board of Directors and I have sent them a second request for their vote today. Just as soon as I hear from them you will be notified. However, I can see no reason why you need to wait on their replies to begin preliminary arrangements with Ed Holmblad. You will note that I am also sending a copy of this letter to him for his information.

Sincerely yours,

Jask

J. J. Bloomfield,
