Do you have a time and do you know who specifically you want? The 'teams' can get pretty large if we just say team.

The group came together around a DC meeting with the Region on video on May 7th if that works for you all. Purpose is coordination on path forward post-sampling plan and how we use the next year to hit the ground running; what obstacles are there to speeding up the process; and how can we work together to overcome those issues. We'll get a more detailed proposed agenda out in the next couple weeks. Ideally we would have you and your team, OLEM? Susan/her team and Chris and senior regional management (by video).
