Patsy,

Probably a useful first contact point would be Margaret Donnan at PACIA (Australian Plastics & Chemicals Industries Association) which is also the Responsible Care licensee in Australia. She is the regulatory affairs focal point for PACIA, and you can email her directly at mdonnan@pacia.org.au.

Regards

Scott

Subject: Regulatory contact in Australia re Shanghai Health Study

Scott,

I took an action from a recent Shanghai Health Study meeting where we were developing an outreach plan for 3rd party stake holders to identify a contact(s) for the appropriate regulatory agencies in Australia. Thought that you might be able to give me some names and numbers or forward me to someone who could.

Thanks for your help.

Regards,

Patsy
