RE: ROOFING BONDS

Dear Rick:

I confirm verbally advising you that Johns-Manville plans to discontinue issuing Roofing Bonds effective December 31, 1973. After that date, we are planning to issue J-M's Guarantee only.

I am in the process of obtaining detailed statements of bonds issued during the year 1972. These will be forwarded to you in the near future. Similar information for the year 1973 will be forwarded to you in the early part of 1974.

Very truly yours.
