"We have become the file-leader of the world's political thought. We have successfully attacked the chief problem from a political point of view, namely, how to secure concerted action upon a large scale, without injury to local independence; and in the second place we have lifted the lowly American citizen to a place beside the world-masters.

"In the days of our founding, the man and the movement shine like twin stars in the heavens. What Washington favored and fought for could not be unwise; his personality transcended all other persuasions. Democracy found in his support of nationality its largest hope.

House Cleaning Time,

the back-breaking time for the cleanly house-wife, is made easier by the use of

THE SHERWIN-WILLIAMS PAINTS.

Paint saves half the labor of house cleaning. Painted wood-work is easier to clean than unpainted wood-work. It doesn't collect as much dirt, and what dirt it does collect comes off easier. Paint this year and you'll have less work next year.

The Sherwin-Williams Family Paint in small cans meets the thousand and one demands for a little paint about the house. Dries quickly. The girls can apply it. Can be scrubbed. Color cards for the asking.
