TO	Dr. R. A. Kehoe	ADDRESS	Cincinnati
FROM	E. O. Jones	ADDRESS	New York
SUBJECT	Commercial Solvents Corporation	DATE	March 18, 1949

Dear Dr. Kehoe:

I am attaching, for your information, a copy of a letter from Mac Murdock to Jim Boudreau which describes the possibility of the Commercial Solvents Corporation entering into large scale packaging of Vitol, or Vitane, as I believe you said the name is now.

This may be of some use to you in connection with your investigations for Thompson Products.

Cordially,

E. O. Jones
