Ike,

It was so wonderful meeting you, too. Thanks again for coming by and I do look forward to continuing the conversation. Do you have some thoughts on permit streamlining that you could write up and send to us to read?

Thanks again!

Best,
Samantha

Samantha:

It was great to meet you today. Thanks so much for seeing me on short notice. I will follow up our conversation with a little more info that will better explain where I think I can help you tackle regulatory streamlining in practical ways. Also, to finish answering your question, Luther Strange and I have been friends for 20 years and I first met Kevin Turner, his Chief of Staff, when he worked with Luther in Alabama.

Look forward to seeing you again soon. Please call, text, or email anytime!
