Dave,

Let me know if you get the meeting with the Secretary., I did flag it as a high priority with Scheduling.

What is the programmatic hook for me to join you at the meeting with Gary? Are USGS or Declamation or invasives involved?

Thanks,

The national coalition for Multi-Species Habitat Conservation Plan (for which Doug Wheeler and I work via our representation of the Riverside plan HCP), has a meeting next week on Thursday, March 23 from 9-10 am with Gary Frazer of the US FWS at your building.

The Coalition was hoping that you might be able to join the meeting, even if only for 20 30 minutes. Of course, feel free to bring whoever you think that the Coalition should see.

These are great folks, all doing the right thing from all over the country.

Thanks.

PS Thanks also for your help with the meeting for Met with Secretary Zinke. For your information, I have attached the form that we sent to the Secretary's scheduler.
