ASBESTOS HANDLING COMMITTEE RECOMMENDATIONS

The Asbestos Handling Committee has made the following recommendations which are hereby adopted by the Chlor-Alkali Products Department:

For dry asbestos handling, use the following:

1. MSA Dust Foe 77 - Dow Stock No. 15-26005

2. Wilson #600A Dust Respirator - Dow Stock No. 15-25460

For dry asbestos handling and chlorine gas protection (dry pulping on operating series), use the following:

1. Welch 7503 Chlorine Respirator - Dow Stock No. 15-26025

   Welch Cartridge 7500-3 - Dow Stock No. 15-22965

   Welch Adapter Filter Cover 7500-14

   Welch Filter Pad 7500-6B

2. Acme Duo-Seal Respirator No. 8101-IC - Dow Stock No. 25965

408480

Acme Cartridge
502-IC - Dow Stock No. 15-22895

Acme Dust Filter
Adapter 8130

Acme Filter Pad
8131

The dust filter adapters and filter pads for the Welch and Acme Respirators are not stock items. Stock Department does not want to stock these items as their use if rather limited.

I have asked Chlorine 4 to be the supply point for the adapters and filter pads. As soon as a supply is on hand, you will be notified.
