PLAINTIFF'S EXHIBIT

MON-1023

Please plan to attend our first meeting as members of the Plant Safety Office Committee on May 5, 1976, at 1:30 PM in the Emergency Conference Room, 2nd Floor Main Office.

We will be meeting with Arnold Glass and Harold Lacy to begin our program and discuss any ideas you have on how to have an effective program.

You'll notice I've abbreviated our committee to SOC and we can discuss this title as related to SHAC and SAC.

See you Wednesday and please read the attachments.
