Re: No Further Action Concerning Potential RCRA Violations by W Silver Recycling, Inc. – El Paso
("Silver Recycling")

Dear Mr. Abasta,

On December 9, 2024, the Enforcement and Compliance Assurance Division of EPA Region 6 inspected Silver Recycling's El Paso facility pursuant to the Resource Conservation and Recovery Act ("RCRA"). On July 15, 2025, EPA Region 6 issued to Silver Recycling a Notice Letter outlining potential violations found during the December 9, 2024 inspection. On August 6, 2025, EPA met with Silver Recycling to discuss its response to the Notice Letter. Based on the information provided following this meeting, EPA has determined that no further action is required with respect to the potential RCRA violations at issue.

If you have any questions regarding this letter, please contact Angela Hays of my enforcement staff via email at hays.angela@epa.gov or by telephone at 214-665-2285.

Sincerely,
