B-H COLOR MAKES "THE LITTLE GRAY HOME IN THE WEST"

B-H Mixed Paints—as colorful as a rainbow! Make them the "front" with which your house faces the world—gay not *gray!*

Here's beauty... Cascade green, Tuscan red, Del Monte gray are but a few of the colors you have to choose from.

Here's protection... where B-H Paints are, decay and deterioration are not. These fine finishes are the products of one of the world's largest paint laboratories. They're made to last and last... without peeling ...without scaling. They keep their youth like a Westerner.

See for yourself what we mean by "B-H Color." "Color Harmony in the Home," Booklet 7" illustrates homes painted in these modern, Western finishes. We will gladly send you a copy... Just send your name and address to the National Lead Company of California, 2240-24th Street, San Francisco.

About paints and painting, consult your B-H dealer. Your painter, too, can help ... no one knows paint like a painter!
