Per my phone conversation with you, EY is moderating a panel for the Shared Services Summit on October 3, 2017, at the Convention Center in DC.

Our session will start at 8:10-8:55am. The session is titled **President's Management Agenda**: Administration officials discuss how shared services fits in the President's management agenda.

Beth Angerman and Dustin Brown will be on our panel. We would also like to invite you to be on the panel. As part of Trump's agenda we will discuss M-17-22 and its focus on workforce reform and Shared Services. I was hoping you could talk about how DOI's reform initiatives. DOI is not often represented at these summits and it would be nice to get a fresh voice.

Please let me know if you can participate. Once you confirm, we will be scheduling a call with all the panelists to go over questions.

Best,

Nadine.
