Subject: Re: Mayor of Houston DC Visit

Don,
The purpose is to try to resolve the Clean Water Act (sanitary sewer overflow) issues Houston has faced because of aging pipes and topography. The Obama Administration was putting pressure on the City to enter into a Consent Agreement with problematic terms. We want to discuss a path forward. Let me know if you have other questions.

Susan, I am confirming the time will work for our folks but I am sure it will. Help refresh me on subject matter so we can have the correct people in the room. Water? Air? Radiation? Super fund cleanup?

Thanks,

Don

PS: I will not personally be there but my folks will take good care of the Mayor.

Hi Don,
Our meeting is confirmed for 5:15 tomorrow at EPA. Arnita Hannon confirmed it. Does that work? We're happy to meet anywhere that works for you.

Security here at our building will be a serious problem tomorrow for reasons I am sure you are aware. The meeting should occur after 4:30 or Wed. Or off site.

Thanks, Don
