Dear Van:

As per your request, I am returning to you the report on ASBESTOS PNEUMOCONIOSIS. I have not had a chance to study it, nor have any of my associates had an opportunity to look at it. I trust that you will be good enough to send us a copy of the report when it is completed and printed.

Mr. Shuman told me what a nice meeting you had last Thursday and how much he enjoyed being there, particularly, how charming and gracious you were to him--as you always are.

At your earliest convenience, I would appreciate your reaction to that matter of "Statute of Limitations in New Jersey", as I would like to report back to our lawyer friend. When are you coming on to Chicago--can't you develop some urgent law business here? Hope all is well and with my kindest regards, I am

Sincerely,

LJS:ELM
