FROM	Homer M. Cole - Industrial Hygiene, GDB
TO	J. E. McKinnon and P. R. Laden - Law, EXO
CC	Dr. E. C. Irby - Med., EXO; L. C. Tropea - EXO
DATE	August 10, 1987
SUBJECT	SENATE BILL 981

Attached, please find Senate Bill 981, which is an amendment to the Toxic Substances Control Act dealing with removal of asbestos from public buildings.

In meeting with the Safe Buildings Alliance in Washington, of which our Building Products group is a member, it was suggested that we provide comments to our representatives in order to head off this legislation.
