November 1, 1950

SUBJECT: DOMESTIC PRIMARY LEAD
SMELTING AND REFINERY LABOR DATA
(Form K)

To Members of the Lead Industries Association:

At the request of the Lead and Zinc Subcommittee of the National Minerals Advisory Council, we have compiled a report on Domestic Primary Lead Smelter and Refinery Labor Data (Form K). The first report is enclosed.

It is felt that this report will be of distinct value in connection with manpower problems and military deferments. We hope that the industry will find it useful.

Very truly yours,

Robert F. [Signature]
Secretary.
