Membership Roster
The American Ceramic Society

This Roster of members is published only for the use of members of The American Ceramic Society. Listings are in alphabetical order. A separate Roster for the National Institute of Ceramic Engineers, showing grades of membership, is on pages *R-105 to R-108* of this issue. New members received too late to be included are listed in the Addenda on page *R-103*.

These listings give the member's preferred mailing address. Where this is not his business address his company connection is shown in parentheses. Divisions and other Society affiliations are indicated in parentheses following each name, in accordance with the code given below. The absence of any such designation indicates that the member is from outside the United States or a student member, neither of which has Division affiliation.

B—Basic Science Division
D—Design Division
E—Enamel Division
G—Glass Division
M—Materials and Equipment Division
R—Refractories Division.
S—Structural Clay Products Division
W—White Wares Division
X—No Division affiliation
F—Fellow of The American Ceramic Society
J—Junior Member
I—National Institute of Ceramic Engineers
