That is thought today; isn't that correct?

MR. IGNATOWSKI: Objection.

THE COURT: Overruled.

A Depends what you call low. Certainly there is an increased risk if you smoke.

If you are exposed to asbestos, they act together to greatly multiply the risk, and it reduces the risk for those who don't smoke.

Q You have read the work of Dr. Selikoff, haven't you?

A Yes.

Q Are you aware that, even back as far as 1967, he addressed the entire Asbestos Workers union hierarchy, didn't he?

MR. IGNATOWSKI: Objection as to --

A He addressed members of the union.

THE COURT: Overruled.

Q At Chicago their annual convention?

A That is correct.

Q There were representatives of the Asbestos Workers union from all over the country?
