Dear Mr. Scharar:

Please be advised that Travelers Insurance is the liability insurance carrier for the Inspiration Consolidated Copper Company. We have received notice of the damage to the tank cars which were involved in a derailment at the Inspiration Mine in Miami, Arizona on 3/4/80. We have commenced an investigation into this matter and will report directly to you of our findings. As I understand it, Union Tank Lines will commence repairs to the tank cars so, I would appreciate it very much if you could keep me apprised of the repair situation. Your cooperation in this matter is appreciated.

Sincerely yours,
