

1 sort?

2 A. The subgroup certainly maintained files under
3 the direction of Dr. McRae.

4 Q. To your knowledge did any of those files
5 deal with the subject of the presence of dioxin in
6 2,4,5-T?

7 A. No. Not that -- I do not recollect any
8 specific --

9 Q. Was the subject that was discussed by
10 this subgroup -- withdrawn.

11 Was it discussed at the subgroup that
12 dioxin was a impurity that was present in 2,4,5-T?

13 MR. ADAMS: Objection.

14 A. The fact that dioxin was an impurity was
15 discussed.

16 Q. The fact that it was an impurity present
17 in 2,4,5-T was discussed?

18 A. Yes.

19 Q. Did the subgroup call upon any persons or
20 institutions or agencies to provide it with
21 information with respect to the possible health
22 effects of the presence of dioxin in 2,4,5-T?

23 MR. ADAMS: Objection.

24 A. I do not recall.

25 Q. Did that subgroup ever call upon the

1 the possible health effects of that?

2 MR. ADAMS: Objection.

3 A. I do not recall.

4 Q. When did the discussions of dioxin in
5 2,4,5-T by the Vietnam Panel take place?

6 A. Early 1969.

7 Q. In the discussions of dioxin that you
8 have testified took place at the subgroup of PSAC on
9 biochemical warfare, were any specific actual or
10 potential health effects, human health effects,
11 discussed?

12 MR. ADAMS: Objection.

13 A. I do not recall any specific health effects.

14 Q. Were any human health effects discussed --
15 withdrawn.

16 Do you recall whether the subject of
17 human health effects was discussed?

18 A. Human health effects were discussed.

19 Q. And recognizing that, you can't recall
20 the specific human --

21 A. That's correct.

22 Q. -- health effects that were discussed.
23 Do you recall that human health effects were
24 discussed?

25 A. Yes.
