**MESSAGE:** Re: COSTS / VCM SHIPMENT TO  
HUNTINGDON LIFE SCIENCES

Ed - As mentioned in prior conversations, our  
Huntingdon Plant had some out of pocket expenses  
related to preparing the cylinder for VCM, filling,  
shipping it, & providing pertinent on-site training  
for Huntingdon personnel. I had forgotten until  
yesterday to follow up on that matter, but subse-  
quently have received the attached details. From  
my perspective, we can handle reimbursement either  
by invoicing CMA / VC. Panel directly, or I can treat  
the expenses as a credit against the Geon payment to  
Huntingdon, but we should have your preference.
