Hi Millan and and Maddy - Just confirming these 3 items so can make travel bookings. Thank you very much and Millan hope the travel back from Australia went smoothly.

September 12 – Meeting with Gary Knell (CEO of National Geographic <http://press.nationalgeographic.com/biographies/gary-e-knell/>) & Jessica Garrison, 2pm, EPA office.

Sept 14 – 6:30pm Meet and Greet dinner with Jessica Garrison & Eileen Stuart (VP of Mosaic), also invited - Tate Bennett, Marlyn Pruitt, anyone else Admin Pruitt would like to join. Just let us know so we can update reservations. Have reservations on hold at Metier, Plume, Capital Grille, and Piccolo

Sept 14 - National Geographic Salon Dinner **postponed** to Q1 of 2018 so that the board of directors can attend. Here is a link to nat geo's board: <https://www.nationalgeographic.org/leadership/board-advisors/> . I just noticed that Brendan Bechtel is a member. Administrator Pruitt knows the Bechtel family from visits to their San Francisco office while was AG. Brendan's grandfather Stephen Bechtel jr. was chief executive over Hoover Dam project while also President of Bechtel. Amazing 119 year old family business . Also Jean Case is chairman. She is a former exec at AOL and her husband Steve Case was a co-foudner of AOL. Very good board.
