

...better, is the way the city figures it. Let all the boys and at once.

ate the city is growing in popu- e is absolutely no chance that 'balls will kill off the players a the new crop is supplied.

time, it is agreed, we have e second hole, making it, posi- ve. (If you don't count the ounded over the ridge or that h rolled back from the green bit lenient in the matter of empts from the gully.) We a five and forget the distress- ts. There on the new-clipped under the gentle California ve left our conscience, we have ed with honor, and we hope going to find it out.

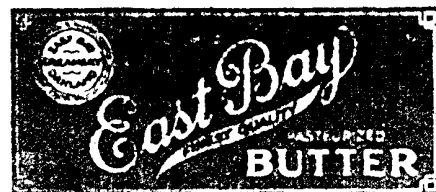

he does he can't prove it. ond hole is easy, the third one ll and the fourth is back again. ean walk from the second tee he fourth and thus escape a e hoofing. By the time one e eighth tee he knows just how me he could have played if it een for some hard luck on the th.

ermine to play super-golf, to for past errors, and so he all extra hard, addresses it so- and let's go. The ball, accord- blished tradition, falls in the hat is why the eighth hole is the swearing hole and why the ds golf players as good cuss-

ffer now emulates the mountain e leaps over the high places ing strange eries which reverb- a fearful emphasis to be lost in e of trembling eucalyptus, de- to the depths of ditches of earth cavity, muttering, complaining,

feeling somehow as if we had completed something. The score we have muddled down, miraculously, becomes a sacred and beautiful thing. We wonder how much it would cost to have it framed, pick out appropriate hanging spots on the wall and never once doubt its accuracy.

We are, we feel, almost a professional and entitled to give advice.

Our Aim

is to serve you so that no matter what kind of paint you buy or where you buy it, the results will be the best obtainable.
