RESORT AND GOLF CLUB

Fibreboard -

Harry Hoopes was Emeryville insulation plant manager, started with them in 1933. He still testifies even tho' he has mesothelioma and a case against Fibreboard and other companies. Defense docs are treating him.

★★★★★

IN ALL THE WORLD, ONLY ONE

1973 Fiberboard sent staff marked "asb-free" that was asbestos.

Asbestos received Pabco World from Paraffine Co. (bimonthly company magazine)

Asbestos Nov. 1928
