From: Don G. Fowler
Re: Special Meeting of the Lead Health and Safety Committee
Date: Monday, August 29, 1966
Time: 10:00 a.m.
Place: LIA Board Room - 14th floor
292 Madison Avenue
New York, New York

Purpose: To discuss LH-119 The Use of Lead Isotope Composition as an Environmental Tracer (Isotopes, Inc.)

Several members of the Committee have requested a meeting with representatives of the Isotopes, Inc. staff to discuss certain details of this project. Accordingly, we have arranged a meeting at our offices for all those who wish to attend and discuss this very important project.
