Hi Nick. Back in May, DOT signed a partial obligation of \$605,000 of the \$9.9M grant for preliminary engineering, NEPA, and supplemental planning. After PE and NEPA are complete, likely next year, DOT will obligate the next phase of the grant.

Happy to discuss if you have any other questions.
Hannah

Hello Hannah,

I hope you're having a nice summer. Rep. Mackenzie asked me to follow up here and see if we can get this funding shaken loose. The City of Bethlehem continues to follow up with him about the status of this grant.

Thank you,
Nick
