RE: Additional Document Production

Dear Mr. Roux:

Enclosed are job cards for the State of Maryland reflecting shipment of asbestos containing materials manufactured by M. H. Detrick Company. Since we had previously provided such cards for Bethlehem Steel, we have not provided duplicates.

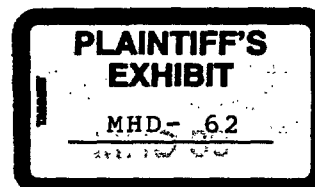

If you have any questions or if you have other areas of inquiry, please feel free to contact either Mr. Buckley or me. We will make every effort to accomodate you.

Sincerely yours,

BRYAN, NELSON, RANDOLPH,
LAND & WEATHERS
