Dear Assistant Deputy Administrator Voyles,

First, thank you for speaking to CropLife and RISE in mid-March! You were spectacular and we will be sending a formal thanks your way any day.

In my non-CropLife capacity I am inviting you on behalf of the American College of Environmental Lawyers to Keynote the College's Mid-Year Meeting on May 22 here in Washington, DC. We are hoping you could provide luncheon remarks, as outlined in the attached letter, on the Administrator's five pillars, state roles, and other developments.

We would be grateful to have you and are here to answer any questions! We are beginning to promote the meeting this week, and ask that if possible, we list you as "invited" if you are amenable to that, while you consider the invitation.

Kindly let us know, and thank you for accepting my repeated invitations,

Regards,

Alex
