SUBJECT : VCM Supply for Springfield Plant

REFERENCE

TO : C. E. Knight  
Springfield

Attached is a copy of a memo which summarizes the plan for investigating the VCM tanker operation. The information listed under my name is the information I am asking you to supply. I believe this summary will be of value in helping you to understand the extent of the study. If you have any suggestions or comments they will certainly be welcomed.

Thanks for your help in this matter.
