Subject: PCA Environment & Energy Committee Virtual Meeting - Speaker Invite

Mandy,

I hope you are doing well and staying safe. I hope you are also enjoying your role so far as Chief of Staff at EPA. PCA is holding our Fall Environment & Energy Committee Meeting virtually this year over three days on September 15-17 from 1-3 PM each day. PCA would like to invite you to speak for 15-20 minutes to hear about EPA's agenda for the rest of this Administration and potential agenda for a second Trump Administration. Depending on your schedule, you can speak at any time during the 1-3 PM window one of those days. PCA staff and members have very much enjoyed hearing from you at our past E&E Meetings and especially thank you for speaking at our alternative fuels briefing at our Fly-In last year.

Please let us know if you are available and if you would like to speak to our members virtually. I can coordinate logistics with you prior to the event. We look forward to hearing from you and please let me know if you need any additional information.

Best,
Louis
