[IEA 2017 Energy Conference Agenda 8 24 17.doc](#)
[Speaker Data and Needs Sheet 2017.doc](#)

Hi Samantha,

Welcome aboard! We are thrilled you will be joining us at the IEA Energy Conference.

You will find attached a draft conference agenda as well as a speaker data sheet. At your convenience, please complete and return the speaker data sheet. I will be happy to arrange for overnight accommodations as well as any audio visual equipment you request. The association would be pleased to reimburse you for travel and out-of-pocket expenses in connection with your participation.

If your schedule permits, we invite you to dine with the IEA Board of Directors on Thursday, September 28 at 7:15 p.m. at Hyde Park Steakhouse.

Please call or email if you have any questions or need additional information.

We look forward to seeing you in September.

Kerry L. Waite

3:00 – 4:00 p.m. – **Plenary Session**

Update from DC on Energy and Environmental Issues

Samantha Dravis, Senior Counsel and Associate Administrator, Environmental Protection Agency, Office of Policy
DOE Representative TBD

4:00 – 4:15 p.m. – **Conference Break**

4:15 – 5:15 p.m. – **Plenary Session**

Future of Rate Design/The Electric & Natural Gas Utility Industry of the Future

Dr. Ahmad Faruqui, Principal, The Brattle Group
Violet Sistovaris, Executive Vice President, NIPSCO (Moderator)

The presentation will review global trends in tariff design for electricity and natural gas. It will identify the various forces that are driving changes in these industries and discuss their likely future evolution. It will present evidence from more than 300 electricity pricing experiments on customer acceptance and response to new tariff designs and enabling technologies such as smart thermostats. And it will discuss new issues that have arisen in rate cases, such as the emergence of distributed energy resources. The presentation will close with a discussion on how to make a transition to the future.

5:30 p.m. – 7:00 p.m. – **Chairman's Reception**

7:15 p.m. – 9:15 p.m. – **IEA Board of Directors Dinner (Invitation only)**

Friday, September 29

7:30 a.m. – **Breakfast Buffet**

8:00 – 9:00 a.m. – **Breakfast Session**

Reports from the Indiana Utility Regulatory Commission and the Office of the Utility Consumer Counselor

Jim Atterholt, Chair, Indiana Utility Regulatory Commission
William I. Fine, Consumer Counselor, Office of the Consumer Counselor

A perennial highlight of the conference is the report from the Chair of the IURC and the State's Consumer Counselor. The IEA Conference affords them the only opportunity they will have to address the energy industry at one time and in one place.

9:10 – 9:15 a.m. – **Conference Break**

9:15 – 10:15 a.m. – **Concurrent Break-out Sessions I**

A. CCR in Indiana: Perspectives from Regulators and Industry

Lisa Messinger, Director, Environmental Affairs, Vectren Corporation
Rebecca Joniskan, Section Chief, Indiana Department of Environmental Management
Susan Mooney, U.S. Environmental Protection Agency, Region 5, Chicago
Don Snemis, Partner, Ice Miller LLP (Moderator)

The panel will provide a brief overview of federal regulations pertaining to coal combustion residuals and an overview of current CCR issues. Representatives of the U.S. EPA, IDEM, and the Indiana regulated community will provide their perspectives.

9:15 – 10:15 a.m. – **Concurrent Break-out Sessions I Continued**

B. Getting It Right with Real Estate Rights

Yasmin L. Stump, Yasmin L. Stump Law Group, PC

John Stenger, General Manager, Sycamore Gas Co. (Moderator)

This break-out session will focus on the key issues, complications and strategic negotiations in land acquisition and crafting solid right of way agreements. Other topics highlighted include the effective use of condemnation, when needed, railroad issues in land acquisition and rights of way and railroad crossing agreements.

C. RTO “101”

Dana Horton, Director RTO Regulatory – East, American Electric Power

Melissa Seymour, Executive Director of Customer and State Affairs, MISO

Kelley Karn, State Regulatory General Counsel, Duke Energy (Moderator)

The panel will discuss and explain the fundamentals and basics of capacity auctions, the wholesale market, reliability assurance, competitive markets, transmission and resource planning in MISO and PJM.

10:15 – 10:20 a.m. – **Conference Break**

10:20 – 11:20 a.m. – **Concurrent Break-out Sessions II**

A. Injury Prevention and the Aging Workforce – How to Create a Safe, Injury-Free Culture

Linda Stollings, President, fitPrescriptions LLC

Jennett Hill, Senior Vice President & General Counsel, Citizens Energy Group (Moderator)

Soft tissue injuries are the leading cause of workplace injuries and lost time.

Musculoskeletal Disorder Injuries (MSDs) account for more healthcare spending than any other single health condition. This presentation will address proven, effective ways to prevent injuries, decrease lost work time, improve the quality of life of each participant, and most importantly send every employee home each day safe and injury-free.

B. Impact of Emerging Technologies on Energy

Raja M. Parvez, Managing Director, Energy Foundry, Chicago

Rafael Sanchez, President & CEO, Indianapolis Power & Light Co. (Moderator)

This break-out session is led by Raja M. Parvez, the Managing Director of the Energy Foundry in Chicago. The Energy Foundry invests in early stage venture capital in energy startups with transformational technologies. Mr. Parvez will explore the integration and impact of solar (photovoltaic) systems, Solid State Lighting (LED), and Storage (Lithium-Ion Battery) on the generation, consumption, delivery, and cost of energy.

C. 2017 Legislative Session Review

Andrew Berger, Vice President Government Affairs & Tax Policy, Indiana Manufacturers Assn.

Greg Ellis, Vice President Energy & Environmental Policy, Indiana Chamber

Tim Rushenberg, Vice President, Indiana Energy Assn. (Moderator)

This panel of governmental affairs professionals from the state Chamber and the IMA will discuss a variety of legislation from the 2017 session of the Indiana General Assembly, including the state budget, transportation funding, workforce development, environmental legislation, and SEA 309 (net metering reform).

11:30 a.m. – 1:15 p.m. – **Closing Luncheon**

Remarks from Congresswoman Susan Brooks (Invited)

1:15 – 1:30 p.m. – **R.D. Koselke Safety Awards, Edwin J. Simcox Distinguished Service Award, Door Prizes, Closing Remarks, and Adjournment**

**2017 Indiana Energy Conference
September 28 – 29, 2017
Crowne Plaza at Union Station
123 West Louisiana Street
Indianapolis, Indiana**
